## NOTIFICATION.

The following subject is selected for the essay for the Jogendrachandra Ghosh's Research Prize in Comparative Indian Law for the year 1927 :—

" A comparative study of the Law of Evidence according to the Smritis. "

The attention of the intending candidates is expressly called to the following conditions laid down for the prize :—

(i) By comparative Indian Law shall be meant the Hindu Smriti Sastra called " Pyabaharkhanda " and a comparison of the standard Sanskrit authorities on the subject with British Indian Law as contained in Parliamentary Statutes, Regulations and Acts of the Indian Legislative Council, and the law as laid down in leading cases. The study, which it shall be the object of the prize to encourage, is the history of the Hindu Smriti Sastra as it existed at and from the time when India came under British rule and how and to what extent it has been altered under British influence, regard being had not only to the existing Statutes, Regulations and Acts, but also to those which, having been in operation for a time, have now been repealed or become obsolete and regard being also had not only to the existing leading cases, but to cases which were considered leading at one time, but have now been overruled, and how and to what extent such alteration has affected Hindu society.

(ii) The essay may deal with the whole of the Indian Comparative Law as before defined or with part or parts thereof ; but in no case shall an essay be entitled to competition which in any way attacks the religious belief, usages or institution of His Majesty's subject.

(iii) By Adhyapak shall be meant scholars of the Smriti Sastra, students of the Smriti in the Government Sanskrit College in Calcutta, and in the tols of indigenous Brahmanical schools which send in candidates for the title examinations held in that College, and students in other similar institutions in India.

(iv) Every candidate for the prize shall be required to indicate generally in a preface to his thesis, and specially in notes, the sources from which his information is taken, the extent to which he has availed himself of the work of others and the portion of the thesis which he claims as original. He shall further be required to state whether his research has been conducted independently, under advice or in co-operation with others, and in what respects his investigations appear to him to tend to the advancement of knowledge.

(v) Successful candidates shall be required to publish their essays, and if necessary they shall receive help from the University for the purpose.

(vi) The essay or essays shall be written, either in English or in Bengali, but if any competitor sends in an essay in vernacular language other than Bengali he shall be bound to furnish English translation thereof.

#### MAINAMATI SURVEY SCHOOL.

(Survey School Post-office, district Tippera.)

##### Admission Rules (Provisional).

THE Mainamati Survey School is a Government Institution under the administrative control of the Director of Industries, Bengal. It is situated on the Mainamati Hills, 4 miles from the Comilla railway station in the Tippera district.

2. The Principal is charged with the general control of the school and the maintenance of discipline.

3. The full course of instruction extends over two years : either the full course may be taken, or the first year's course only. At present the session for the first year's course begins from the 1st August, terminating in July of the following year.

4. The session for the second year's course commences on the reopening day after the Durga Puja holidays.

5. It is a residential institution, and the students are required to reside in the school premises and must conform to the rules sanctioned by Government. Students may live with their parents or with approved guardians with the special permission of the Principal. The messing charges for Hindu students average about Rs. 11 per month. The Muhammadan students make their own messing arrangements, but they are awarded boarding stipends according to the following scale :—

Number of students.	Value of each stipend. Rs.
1	... 6 per mensem.
2	... 5 " "

6. The qualifications for admission to the first year's course are—

- A sound knowledge of elementary arithmetic.
- Ability to write simple English and vernacular.

- A certificate of character from the head of the institution where he was last educated.

NOTE.—Preference is given to those who have passed the Matriculation Examination or received higher education.

7. The maximum age of the candidates for admission to the first year's course should be under 21 years on the 1st January of the year of admission, but an exception to this rule may be made in special cases.

8. Application for admission into the first year's course must be accompanied by a registration and examination fee of Rs. 3 and should reach the Principal's office on or before the 30th June. The registration and examination fee shall, in no case, be refunded.

9. On passing the final examination of the first year course the candidates are awarded the Amin Certificate of the Survey Education Advisory Board, Bengal; on passing the final examination of the second year course the Survey Final Certificate of the Board is awarded. Candidates holding the Amin Certificate and possessing a fair knowledge of English are eligible for admission to the second year class.

10. All payments, whether on account of tuition fees, boarding and lodging, must be made at the Principal's office on or before the 15th of each month. After that date no payment shall be taken, unless accompanied by a fine of Re. 1 for every three days' delay. If the payment is not made during the month for which it is due, the defaulting student's name shall be struck off the school roll, and he will not be re-admitted until he has paid all arrears, together with any fines which may be due from him, and a re-admission fee of Rs. 5.

#### MAINAMATI SURVEY SCHOOL.

(Survey School Post-office, district Tippera.)

##### Admission Rules (Provisional).

THE Mainamati Survey School is a Government Institution under the administrative control of the Director of Industries, Bengal. It is situated on the Mainamati Hills, 4 miles from the Comilla railway station in the Tippera district.

2. The Principal is charged with the general control of the school and the maintenance of discipline.

3. The full course of instruction extends over two years: either the full course may be taken, or the first year's course only. At present the session for the first year's course begins from the 1st August, terminating in July of the following year.

4. The session for the second year's course commences on the reopening day after the Durga Puja holidays.

5. It is a residential institution, and the students are required to reside in the school premises and must conform to the rules sanctioned by Government. Students may live with their parents or with approved guardians with the special permission of the Principal. The messing charges for Hindu students average about Rs. 11 per month. The Muhammadan students make their own messing arrangements, but they are awarded boarding stipends according to the following scale:—

Number of students.	Value of each stipend.
	Rs.
1	... 6 per mensem.
2	... 5 " "

NOTE.—Preference is given to those who have passed the Matriculation Examination or received higher education.

7. The maximum age of the candidates for admission to the first year's course should be under 21 years on the 1st January of the year of admission, but an exception to this rule may be made in special cases.

8. Application for admission into the first year's course must be accompanied by a registration and examination fee of Rs. 3 and should reach the Principal's office on or before the 30th June. The registration and examination fee shall, in no case, be refunded.

On passing the final examination of the first year course the candidates are awarded the Amin Certificate of the Survey Education Advisory Board, Bengal; on passing the final examination of the second year course the Survey Final Certificate of the Board is awarded. Candidates holding the Amin Certificate and possessing a fair knowledge of English are eligible for admission to the second year class.

10. All payments, whether on account of tuition fees, boarding and lodging, must be made at the Principal's office on or before the 15th of each month. After that date no payment shall be taken, unless accompanied by a fine of Rs. 1 for every three days' delay. If the payment is not made during the month for which it is due, the defaulting student's name shall be struck off the school roll, and he will not be re-admitted until he has paid all arrears, together with any fines which may be due from him, and a re-admission fee of Rs. 5.
